Doug –

Please see attached the City's response to VDEQ's April 1st letter regarding the technical memorandums submitted to date. In addition, we'd like to meet with you to discuss our progress to date sometime in May. Would you and your staff be available Friday May 8th?

Have a good weekend,

Erin,

Please see the attached for DEQ comments concerning the aforementioned.

If you have any questions, please do not hesitate.

Best regards,
